PER CURIAM:

Lenir Richardson appeals a district court order dismissing her complaint against her former husband, attorneys involved in her divorce and child custody action, and other persons who may have come into contact with her daughter. We have reviewed the record and the district court's memorandum opinion and order and dismiss the appeal as frivolous. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
